Buildup Scheme

In order to promote self-employment we operate Self Employment Training Center in all over State and runs their Buildup Scheme in which we provide Fund and training to Entrepreneur for New Startups and their business establishment on low interest rate under these schemes.

Educational Fund

Self Employed Fund

Placement /Job opportunity

Educational Fund

Under the education fund, we provide such fund to the candidates whose families cannot afford their higher education spends, but student have a genuine passion for reading and wish to do something good in the future so that we are given education fund without any guarantee. To create a bright future of candidate.

Self Employed Fund

Under the Employment Fund, we provide services young unemployed people who want to start any type of production related work by setting up a manufacturing unit, we guide them to prepare their project report and give them sufficient funds to purchase the equipment to start a new unit.

Placement /Job opportunity

Those candidates who have completed their higher education and who are unable to get the job according to their Knowledge/skill, we counseled them and organize employment fair and placement drive to get them job based on their interest and experience. and provide them better employment opportunities.

Self- Employment Fund

In finance, a loan is the lending of money from one individual, organization or entity to another individual, organization or entity. A loan is a debt provided by an entity (organization or individual) to another entity at an interest rate, and evidenced by a promissory note which specifies, among other things, the principal amount of money borrowed, the interest rate the lender is charging, and date of repayment. A loan entails the reallocation of the subject asset(s) for a period of time, between the lender and the borrower.

In a loan, the borrower initially veceives or borrows an amount of money, called the principal, from the lender, and is obligated to pay back or repay an equal amount of moneu to the lender at a later time.

Educational Fund

A scholarship is an award of financial aid for a student to further their education. Scholarship are awarded based upon various criteria , which usually reflect the values and purposes of the donor or founder of the award. Scholarship money is not required to be repaid.

Campus Placement

A campus interview is the program conducted within educational institutes or in a common place to provide jobs to students pursuing or in the stage of completing the programme . In this programme, industries visit the collages to select students depending on their ability to work, capability, focus and aim.

Schooling

A school is an educational institution designed to provide learning spaces and learning environments for the teaching of students under the direction of best qualified/Experienced teachers. The foundation of the future of the children's is maintained through the school. The school is a place where they learn the art of improving their lives and living life in a good way learning the art of living life in a good way illuminates the name of his family and his country

we get idea from ancient India, when schools were in the form of Gurukuls. Gurukuls were traditional Hindu residential schools of learning; typically the teacher's house or a monastery. in which The subjects taught included Reading, Writing, Arithmetic, Theology, Law, Astronomy, Metaphysics, Ethics, Medical Science and Religion.

In the old days, education was done by staying in the Gurukul Ashram, in that time, on the basis of both mental and physical development, not only intellectual education was imparted to the children so that it could not be second to none in any area of life. Modern education can provide employment to people, but do not have to face any adverse situation, as a result of which youth keeps on running for a lifetime as a part of the internal race.

On the contrary, we have to provide such education to the children so that they themselves become the creators of their own destiny and by providing guidance to other people also to build their future, for this we provide the following facility

- Primary/Play School (Nanihal)
- Gurukul/Sanskrit Vidhyalay
- HSC/HSSC Schools
- Co-Ed English Medium Schools

With the recognition of state and central government, schools will be operated at block level in the entire state.

Way of Heaven

Old Age Home

A person who is more than 55 years ahead and is dependent on someone else for their livelihood but there is no one to take care of them, at such an age when they need more care, then to provide all the facilities for them. Along with this, the facility of living in their living environment is provided.

Hospital

Hospital is a health care institution providing patient treatment with specialized medical and nursing staff and medical equipment. We provide best type of hospital facility in our hospital for emergency and health issues & sudden illness.

Laboratory

Pathology lab is a facility that provides controlled conditions in which scientific or technological research, experiments, and measurement may be performed. Laboratory services are provided in a variety of settings: physicians' offices, clinics, hospitals, and regional and national referral centers

Hostal

A hostel is a form of low-cost, short-term shared sociable lodging where guests can rent a bed, usually a bunk bed in a dormitory, with shared use of a lounge and sometimes a kitchen. Rooms can be mixed or single-sex and have private or shared bathrooms. Private rooms may also be available, but the property must offer dormitories to be considered a hostel

Way of Heaven

Library

A public library is a library that is accessible by the general public and is usually funded from public sources, such as taxes. It is operated by librarians and library paraprofessionals, who are also civil servants and associate with us.

GYM

For the youth, along with mental development, physical development and their health are also good, for this purpose, it is proposed to operate a cow equipped with modern equipment.

Rest House

For those people who go to metros for any urgent work or to do exams, they have to spend more in their stay, for this we will operate rest houses in such a city.

Orphanage

There is a plan to run an orphanage by our organization on district level in over state for children between 0 to 17 years of age, which is governed as per government rules.
